### GRADE 5 STUDENT SURVEY

We want to know what you think about our school, so we made a Student Survey. It's a way for you to tell us your ideas and help our school get even better. Your thoughts are like treasure to us. We want to know what is good and what we can make even more awesome. If we work together, our school can be super great for all kids.

The survey talks about school stuff like classes, talking with each other, and what you like about school. Your answers will help us do things better and make sure kids and families are happy. Don't worry, your answers are like a secret code, and we'll only use them to make our school better. Thanks a bunch for telling us what you think.
